

July 2024

Dear Learning Step Preschool Parent,

The preschool staff is looking forward to the upcoming school year and are preparing for a safe and secure environment with opportunities for fun, exploration and discovery! The Get Set for School Curriculum is flexible, hands-on, and sensory based. It offers a full pre-writing program and materials that build critical early math and literacy skills.

The following items will help you to prepare for school and hopefully answer questions that you may have at this time.

1. Visit our website - www.lockportpark.org and click "Preschool" in the Quick Link Box. On this page you will find the Parent Handbook. Please read through this document.
2. Download the **Emergency Form**, fill it out and bring it to the Student/Parent Room Visit outlined below.
3. Take a look at and download the **School Calendar**. Please note that on the first day of your child's class, either 9/3 or 9/4, you will participate in a Student and Parent Classroom Visit to view the classroom and meet your child's teachers. In order to limit the number of people in the room/facility at any given time, the following schedule has been put into place:

<u>By Last Name</u>	<u>AM Students</u>	<u>PM Student</u>
A-E	9:00-9:25AM	12:30-12:55PM
F-J	9:30-9:55AM	1:00-1:25PM
K-O	10:00-10:25AM	1:30-1:55PM
P-T	10:30-10:55AM	2:00-2:25PM
U-Z	11:00-11:25AM	2:30-2:55PM

4. A Parent Orientation Video will be posted on the Preschool page of our website the last week of August. Please watch the video as it will go over the Handbook, Health & Safety Guidelines, Curriculum, and the Student/Parent Classroom visits.

If any parents should have questions after viewing the video, please contact:
