January 2025 Edition

Welcome Back

We hope that everyone had a healthy and restful break! Our teachers are all anxious to get back into our curriculum with some Winter Fun activities added in.

Winter Gear

As stated in the December Newsletter, classrooms will continue to venture outside during the chilly months to get fresh air. This decision is made on a daily basis considering the weather. Be sure to have your child dress for the weather. They should wear a winter coat, hat and gloves/mittens to school each and every day to be prepared for possible outdoor play.

***Please label all winter items with your child's name as some of those items are easily misplaced.**

Open House

This year's Open House will be on Saturday, February 1st. This Open House is for families looking for preschool placement for the 2025-26 school year.

Priority Registration for 2025-2026 School Year

Tuesday, February 18th to Thursday, February 27th are the dates for Priority Registration. This is for students in our 3-year-old program, moving to the 4-year-old program, who are registering for the same days and times as currently enrolled. Also, the 5-day Blue Room option will be available on a first come basis. So, for example, if your child is currently enrolled in the MWF AM class for 3-year-olds, parents can register them early for the MWF AM class for 4-year-olds. Or, parents can register the same child for the 5-day Blue Room program as long as spots are open. Priority Registration letters will be sent home in early January

*Priority also includes siblings of currently enrolled students. Contact Heather Kuncis with any questions.
